Spring Reverse Career Fair

Show the community what you are really about!

Employers often look for exposure to UL student organizations especially Greeks. A Reverse Career Fair is an excellent opportunity for student leaders to showcase their professional skills and the values and skills gained as a result of being involved in student organizations.

With a Reverse Career Fair, we are aiming to turn the tables and have your chapters set up booths and the recruiters themselves are the ones who walk around to meet with you the students representing each chapter.

Skills to showcase:

- Leadership
- Team-Building
- Membership Development
- Event Planning
- Problem-Solving

Who: All Greek Organizations:
IFC, Panhellenic, and NPHC

When: February 23, 2015
5:30-7:00

Where: First floor of the student union.
Outside of McAlister's Deli,
and the Art Gallery.
